

A PRAYER OF THANKSGIVING

BASED UPON JONAH 2

Lord, you are the God who saves me! Even when in the darkest pit, deep calls out to deep. When the waves and breakers have swept over me, you heard my cry for mercy.

In my distress, I will remember the deeds of the Lord; yes, I will remember your goodness. In my sanctuary, I will meditate on all your mighty accomplishments.

I will sacrifice offerings of thanks to God and fulfill my vows to the most high. I honor you with offerings and thank you for my salvation.

Praise the Lord of my deliverance, may your blessing be on your people!

Amen
