

in a world of possibilities,
imagine yourself as one

decide to make every single
day, the very best
day of your one
precious life!

start each day
thankful, with JOY
in your heart.

always believe that
something wonderful
is about to happen

When she let go of her past,
her heart whispered THANK YOU!

and I think to myself,
what a wonderful world

open your eyes to the
beauty around you

I will be grateful
for this day

I will be grateful
for this day.

Be the love
you never received

until you spread your wings,
you have no idea how
far you will fly

light the world
with the color of
your dreams

trust the timing
of your life

you are the artist of your
life, don't give the
paintbrush to anybody else!

i think you are doing
a beautiful job of
figuring out some heavy shit

Good things happen.
Love is real.
We will be ok.

if only you saw yourself
through kinder eyes

I pray you see the beauty of
your soul today

let the light in,
feel the gentle breeze,
refresh and nourish your soul

Don't let the noise of the world
drown out your song.

Sing a new song
over your life

Trust yourself. You've survived
a lot, and you will survive
what is yet to come.

imperfection is a
form of freedom

embrace your own pace

no rain, no flowers

Speak beautiful things

it is well with my soul

let your life
be your art

Fearless

Brave

You

abide

create

beautiful

blessed

worthy

loved

Peace

Warrior

BE FEARLESS

Faithful

Dreams

imagine

forever

I am...

kind

whole

loved

grace

hope

PERSIST

LET IT BE

keep life simple
believe in yourself
today is a new day
choose to be happy
believe in miracles

dare to trust
don't give up
prove them wrong

know thyself

chase the sun
allow for delays

im

dream big dreams
beautifully broken
perfectly imperfect
courage, dear heart
be a voice, not an echo

and still I rise
conquer from within
good things take time

Try new things

Take a breath
your story matters

LET ALL THAT YOU DO
BE DONE IN LOVE.
