

The Foster Care Prayer Guide

- Pray for families in crisis to get the help they need to prevent children from entering foster care.
- Pray for biological parents to always keep the best interest of their children in mind.
- Pray that children in your community would know they are loved by God and are not alone.
- Pray that children in foster care experience a feeling of belonging within a safe environment.
- Pray that God would guide foster children through past and present hurts.
- Pray that siblings can remain together while in foster care.
- Pray that your church and others in your area would help care for children in the foster system.
- Pray for endurance and strength for foster parents in your community as they invite children into their families.
- Pray for potential adoptive parents to be led by God as they walk through this process.
- Pray that social workers and administrators could fight discouragement and burnout.
- Pray that lawyers and judges would have the eyes to see the needs of children in foster care in our community.
- Pray that the law enforcement officers in your community would be well equipped to engage in their roles as protectors of the weak, including children who experience abuse or neglect.
- Pray that cycles of abuse will be broken.
- Pray that God would raise up groups of people within your community to become CASA volunteers so that every child has someone to speak up for them in court.
- Pray that the President, legislators, governors, mayors, and other elected officials in your community will use their power and influence to protect the weak and vulnerable.
- Pray that God would provide a mentor for every child in foster care in your county.
- Pray that every youth who ages out of the foster care system in your community would have the resources necessary to survive and to thrive as an adult living on their own.
